

Curriculum Vitae

Since 2022 PhD in History of Science, Bergische Universität Wuppertal

2021 Research Assistant at ISG - Institut für Sozialforschung und Gesellschaftspolitik, Köln

2017 - 2020 MSc. Psychology, Universität Kassel

2013 - 2017 BSc. Psychology, Universität Kassel

My research interest lies in the history of clinical psychology. In my PhD project I will focus on the history of clinical assessment since the middle of the 20th century. My aim is to characterize changes in the diagnosis system for mental disorders in consideration of epistemic injustice.
